Useful Expressions

实用表达

1. Vocabulary Substitution

词汇替换

Replacing repeated words with synonyms makes your speech more natural and varied.

用同义词替换重复的词，让你的表达更自然、更多样。

A:

I always review the classes after class.

我总是在课后复习课程。

B:

You have 'class' twice. Try: lesson or session.

你用了两次 class。试试用 lesson 或 session。

► 词汇替换表：class → lesson / session；audio → record / clip；review → go through / absorb；look at → take a close look

2. Describing Study Habits

描述学习习惯

A:

I always review after each session.

我总是在每次课后复习。

B:

That's a great habit! I usually go through my notes.

这是个好习惯！我通常会过一遍笔记。

A:

I also listen to audio clips before bed.

我睡前还会听音频片段。

► 用 always / usually / often 等频率副词描述学习习惯，搭配一般现在时。

3. Talking about Routines and Plans

谈论日常和计划

A:

I go to my workplace at 9 am every day.

我每天早上9点去上班。

B:

I am going to start a new course next week.

我下周打算开始一门新课程。

A:

Will you be studying on weekends too?

你周末也会学习吗？

► 一般现在时描述日常 → going to 描述计划 → will be + v-ing 描述未来持续动作

4. Pronunciation in Context: Linking and Stress

语境中的发音：连读与重音

A:

What-are-you-doing right now?

你现在在做什么？（连读）

B:

I-am studying at-the-moment.

我现在正在学习。（连读）

► 连读让口语更流畅：form-of-the-verb, what-are-you-doing, at-the-moment

Dialogue / Reading

对话与阅读

Scene 1: Vocabulary Substitution

词汇替换

In this scene, the teacher helps the student avoid repeating the same word.

在这个场景中，老师帮助学生避免重复使用同一个词。

Student:

I always review the classes after class.

我总是在课后复习课程。

Teacher:

You have 'class' twice in one sentence. Let's vary it.

你一句话里用了两次 class。我们来变化一下。

Teacher:

Use 'audio clips' instead of 'classes'. And use 'session' or 'lesson'.

用 audio clips 代替 classes。用 session 或 lesson。

Student:

I always review the audio clips after each session.

我总是在每次课后复习音频片段。

Teacher:

Much better! You can also use 'after each lesson'.

好多了！你也可以用 after each lesson。

Substitution Table

替换表

Original	Substitutes
class	lesson / session
audio	record / clip
review	go through / absorb
look at	take a close look

Scene 2: Simple Present in Daily Life

一般现在时：日常生活

Simple present is used for routines, habits, and facts.

一般现在时用于日常习惯、规律和事实。

Teacher:

What do you do every day?

你每天做什么？

Student:

I go to my workplace at 9 am. I always review the audio clips after each session.

我早上9点去上班。我总是在每次课后复习音频片段。

Teacher:

Good! Simple present for routines.

很好！一般现在时用于日常习惯。

More examples of simple present in daily life:

- She takes the bus to work every morning. (daily routine)
- He always drinks coffee before 9 am. (habit)
- The store opens at 10 am on weekends. (schedule / fact)
- I usually go through my notes after dinner. (habit)

Scene 3: Present Continuous for Current Actions

现在进行时：当前动作

Present continuous describes what is happening right now or temporarily.

现在进行时描述正在发生或临时进行的事情。

Teacher:

What are you doing right now?

你现在正在做什么？

Student:

I am studying English. I am learning about tenses.

我在学英语。我在学时态。

Teacher:

Present continuous for what's happening now.

现在进行时用于正在发生的事。

More examples of present continuous:

- She is reading a book at the moment. (happening now)
- They are working from home this week. (temporary)
- I am not watching TV right now. (negative, now)
- We are meeting at 5 pm tomorrow. (scheduled future)

Scene 4: Will vs Going to in Conversation

对话中的 Will 和 Going to

'Will' is for sudden decisions; 'going to' is for plans or evidence-based predictions.

will 用于突然决定；going to 用于计划或有证据的预测。

Teacher:

What will you do this weekend?

你这个周末要做什么？

Student:

I am going to visit my friend. We planned it last week.

我打算去看朋友。我们上周就计划好了。

Teacher:

Good, 'going to' for planned actions. Now, imagine someone asks you for help suddenly.

很好，going to 用于计划好的动作。现在，想象有人突然请你帮忙。

Student:

I will help you!

我来帮你！

More examples of will vs going to:

- I'll open the door for you! (sudden decision)
- She's going to travel abroad next month. (plan)
- Look at the dark clouds — it's going to rain. (evidence)
- I think people will live longer in the future. (prediction without evidence)

Scene 5: Future Continuous for Planned Activities

将来进行时：计划中的活动

Future continuous emphasizes an action in progress at a specific future time.

将来进行时强调在未来某个特定时间正在进行的动作。

Teacher:

I will be sleeping this time tomorrow.

明天的这个时候我会在睡觉。

Teacher:

This describes an action in progress at a specific future time.

这描述的是在未来某个特定时间正在进行的动作。

Student:

So 'I will be working at 8 pm' means I'll be in the middle of working?

所以 'I will be working at 8 pm' 意思是我会在工作中间？

Teacher:

Exactly! It emphasizes the ongoing nature of the action.

没错！它强调动作的持续性。

More examples of future continuous:

- At 10 am tomorrow, I will be taking an exam. (specific future time)
- They will be having dinner when we arrive. (interrupted by another event)
- She won't be working this weekend. (negative future continuous)
- Will you be using the computer later? (polite inquiry)
