

English Learning Notes

英语学习课堂笔记

日常表达 / 面试经历 / 时态精讲 / 重点词汇 / 课堂练习

日期: 2026-06-03

版本: v1.1 (整合课件资料)

Part 1: Daily Expressions

第一部分: 日常口语表达

1.1 "Up to" - 口语固定表达

"What have you been up to?" 是英语口语中非常常见的问候方式, 意思是 "你最近都在忙些什么?" / "你都干啥了?". 这里的 "up to" 不能逐字翻译, 它是一个整体固定搭配。

A: What have you been up to lately?

A: 你最近都在忙些什么?

B: I've been working on a new project.

B: 我一直在做一个新项目。

教师点评: 回答时注意时态一致性。对方用 "Have you been..." 提问, 你就用 "I have been..." 回答。这叫 "时态呼应", 是英语对话的基本规则。

1.2 表示时间跨度的词汇

在英语中, 当我们需要描述一段时间或时间跨度时, 有几个常用的名词可以灵活使用:

duration /dʒU'reɪʃn/

持续时间, 时长

The duration of the summer camp is two weeks.

period of time

一段时间 (通用表达)

I haven't seen him for a long period of time.

generation /dʒEnE'reɪʃn/

一代人 (约25-30年)

Over the past three generations, the city has changed a lot.

教师点评: "period of time" 是最通用的表达, 不管在生活还是工作中都可以用。从今天早上到现在、过去的一段时间、未来的一段时间, 都可以用这个短语。"duration" 更偏向于描述某个事件的持续长度, 比如课程时长、旅行时长等。

1.3 疑问句回答原则

英语对话中有一个重要原则: 我怎么问, 你就怎么答。
疑问句的时态和结构决定了回答的时态和结构。

提问方式	回答方式	例句
Have you been...?	I have been...	Have you been watching TV? Yes, I have been watching a reality show.
Did you...?	Yes, I did. + 过去式	Did you go out this weekend? Yes, I did. I went to visit my parents.
What have you been...?	I have been + ing	What have you been up to? I've been working on a new project.
What did you do...?	I did / I went / I visited	What did you do on Sunday? I visited my parents in the suburb.

教师点评: "Did you do anything during the weekend?" 问的是你干了什么具体的事, 不关注时间长短。而 "What have you been up to?" 关注的是这段时间你在做什么。前者回答具体事件, 后者回答持续性的活动。

1.4 基本句式结构: 主谓宾 + 时间/地点

英语句子的基本结构是: 谁(主语) + 干什么(谓语) + 什么(宾语),
然后在后面加上时间、地点、人物等补充信息。

I went to visit my parents on Sunday with my wife in Qingpu District.

我周日和我妻子去了青浦区看望父母。

结构拆解:

主语(I) + 谓语(went to visit) + 宾语(my parents)
+ 时间(on Sunday) + 人物(with my wife) + 地点(in Qingpu District)

课堂练习纠错记录 (来自课堂笔记)

以下是课堂上学生练习时的实际纠错, 非常有参考价值:

x I come to the class here on Sunday

OK I came to the class here on Sunday. (过去式 came, 不是 come)

x After the class I went to the PM's park

OK After the class I went to People's Park. (人民公园全称 People's Park)

x I spere sometime walking in the ppl's park

OK I spent some time walking in People's Park. (spend + some time + doing)

教师范文: 以下是描述周末活动的完整范文, 注意句式的丰富性和信息的完整性。

"Last weekend was quite fulfilling for me.
On Sunday, I went to visit my parents in the suburb with my wife.
We spent some quality time together as a family.
After that, I came to my English class here in the afternoon.
Then, after the class, I went for a walk around People's Park
and just sat there for a bit to relax before heading home."

1.5 句式转换: It takes / spend

表达 "花费时间做某事" 有两种常见方式, 意思完全一样, 但逻辑顺序不同。学会互换使用可以让你的表达更丰富。

It takes me some time to walk in the park.

(做某事花了某人时间 - 事情在前)

I spent some time walking in the park.

(某人花了时间做某事 - 人称在前)

重要语法点: "spend some time **doing** something"

这里必须用动词-ing形式, 因为花费的是一段长时间(duration), 持续进行的动作要用现在分词(continuous form)。

I spent some time walking around People's Park after the class.

下课后我在人民公园周围走了会路。

教师点评: 中文习惯说 "我花了时间走路", 英文可以倒过来说

"It took me some time to walk around the park".

两种说法意思完全一样, 但思维方式不同。

多练习这种转换, 能帮助你逐渐用英语思维来组织语言。

Part 2: Talking About Experience (Interview)

第二部分: 面试中的经历表达

面试中, 除了自我介绍外, 谈论经历(Talking about Experience) 是最重要的环节。
无论是教育经历还是工作经历, 都需要大量使用过去式。
以下是面试中可以直接套用的高频表达:

2.1 面试高频金句 (Lesson 12 课件)

课件原文: "Highlighting accomplishments is a great way to impress an interviewer, so let's try some more ways of using strong verbs to talk about the great things you've done."

1. 描述业绩成果

I achieved a 30% increase in sales / in our region / over the last two years.

我在过去两年中实现了本区域销售额30%的增长。

断句与重音指导:

I achieved | 30% increase in sales | in our region | over the last two years

重音放在: achieved, 30%, increase, sales

轻读: a, in, the, of 等虚词

2. 描述主动创新

I spearheaded an initiative / to break into the European market.

我带头推动了一项开拓欧洲市场的计划。

断句指导:

I spearheaded | an initiative | to break into | the European market

注意: spearhead 的 p 发 /b/ 音; break into 有 "攻入/开拓" 的力度感

3. 描述监督管理

I oversaw the successful merger / of our company / with a major competitor.

我监督了公司与一家主要竞争对手的成功合并。

断句指导:

I oversaw | the successful merger | of our company | with a major competitor

介词前面(of, with)可以断句, 这是断句的基本规律

4. 描述设计改进

I devised a new system of scheduling / that vastly improved efficiency.

我设计了一套新的排班系统, 极大地提升了效率。

断句指导:

I devised | a new system of scheduling | that vastly improved efficiency

that 后面是定语从句, that 处可以稍作停顿

教师点评: 这四句话是面试中的万能模板, 可以套入你自己的经历。

"achieve" 不需要是非常宏大的成就, 任何完成的事情都可以用。

给出具体数字(如30%)会让你的描述更有说服力。

"roughly 30%" / "approximately 30%" / "about 30%" 都可以用来表示约数。

同义替换让语言更丰富:
I wrote / I designed / I set up / I devised / I created a new system
这些动词意思相近, 交替使用能展示你的词汇量。

2.2 面试对话范例: Ryan (课件原文)

课件中 Ryan 的面试回答示范, 展示了如何在介绍成果后进一步给出解释和背景信息:

Ryan: You know, sometimes during a sprint, you've got different disciplines speaking slightly different languages. So I worked with our training lead to develop some short courses... with the aim of getting everyone on the same page as it were.

你知道, 有时候在一个冲刺周期(sprint)中, 不同专业领域的人说的语言不太一样。所以我跟我们的培训负责人合作, 开发了一些短期课程... 目的是让大家的理解保持一致。

课件原文解析: "In his explanation, Ryan mentions a 'sprint,' which is a period of work in an agile scrum. He then explains how people in different 'disciplines,' or areas, don't always communicate perfectly, which explains why he developed some team training."

教师点评: Ryan 的回答展示了一个重要的面试技巧: 不只是陈述成就, 还要解释为什么做这件事、怎么做的。注意他用了 "sprint"(敏捷开发中的冲刺周期)这样的行业术语, "on the same page" 是一个非常地道的口语表达, 意思是 "达成共识"。另外注意: "Just stating your accomplishment is usually not enough. It's a good idea to give some explanation or background."

2.3 同义词替换表 (课件 + 学生笔记)

课堂笔记中记录的同义词, 可以帮助丰富你的表达:

基础词	同义词 1	同义词 2	同义词 3
approximately	roughly	about	around
vastly	greatly	significantly	considerably
cooperate	collaborate	work together	team up
previous	past	former	earlier
achieve	accomplish	attain	reach

基础词	同义词 1	同义词 2	同义词 3
design	devise	create	develop
improve	enhance	upgrade	boost

Part 3: Key Vocabulary

第三部分: 重点词汇精讲

initiative /ɪˈnɪʃiətiʋ/

主动的创新、新计划、新项目

I took the initiative to improve our workflow.

spearhead /ˈspiːhɛd/

带头、领头推动(过去式: spearheaded)

She spearheaded the marketing campaign.

merge /mɛːrdʒ/

合并(动词); merger(名词: 并购)

The two companies decided to merge. / We oversaw the merger.

devise /dɪˈvaɪz/

设计、构思(偏实用型, 比 design 更实用)

He devised a new method for data analysis.

previous /ˈpriːviəs/

以前的、过去的(past的同义词)

In the previous year, our sales were much lower.

in theory

理论上(常与 in fact / actually 对比使用)

In theory, this should work. In fact, it doesn't.

specific /spɛˈsɪfɪk/

特定的、具体的

I achieved a 30% increase in a specific region.

vastly /ˈvʌstli/

极大地、大幅地(同义词: greatly)

The new system vastly improved our efficiency.

collaborate /kE'lAbErelt/

合作、协作(注意: o 发 /a/ 音)

We collaborated with a major competitor on this project.

cooperate /koU'ApErelt/

合作(注意: o 发 /oU/ 音)

We need to cooperate with other departments.

sprint /sprInt/

冲刺周期(敏捷开发术语)

We had a two-week sprint to finish the project.

discipline /'dIsEplIn/

专业领域、学科

People from different disciplines speak different languages.

roundabout /'raUndEbaUt/

环岛(交通用语)

At the roundabout, you must give way to cars from the right.

crossroad /'krOsroUd/

十字路口

Turn left at the next crossroad.

shuffle bus

定制班车、定点巴士

The company provides a shuffle bus for employees.

suburb /'sVbE:b/

区域、区(不一定是郊外, 任何区域划分)

My parents live in a suburb of Shanghai.

reality show

真人秀节目

I have been watching a reality show all week.

Part 4: Vowel Pronunciation Guide

第四部分: 元音发音规律

英语中5个元音字母(a, e, i, o, u)在不同单词中发音变化很大, 这是英语发音的一大难点。与辅音不同(辅音发音相对固定), 元音需要通过大量练习来自然记忆, 不需要刻意去背规则。

元音字母	不同发音示例	音标
a	Apple / After / Came / Around	/ae/ /a:/ /el/ /E/
e	Percent / Merge / Went / See	/s/ /E:/ /e/ /i:/
i	Item / Time / Tiger / Vibe	/I/ /al/ /al/ /al/
o	Cooperate / Opera / Two / Umbrella	/oU/ /Q/ /u:/ /V/
u	Suffer / Suburb / Use / Ultimate	/V/ /E:/ /ju:/ /V/

教师点评: 元音发音没有绝对的规律可循, 但有一个小技巧: 当元音字母出现在第二个音节时(如 Time, Tiger), 通常发其 "字母本身" 的音(a发/el/, i发/al/, o发/oU/). 但这也不是绝对的, 最好的方法就是多读多说, 自然就记住了。

特别注意: collaborate 的 o 发 /a/ 音, cooperate 的 o 发 /oU/ 音, 虽然两个词都有 co- 前缀, 但发音完全不同。

Part 5: Tense Review - Five Past & Present Tenses

第五部分: 时态精讲 - 五种过去与现在时态

时态的名称看起来很长很吓人, 但其实不用纠结名称本身。时态是人给语言现象分类后起的名字, 关键是理解什么时候用, 而不是记住叫什么名字。以下逐一讲解五种常用时态, 每种时态均配有课件中的练习题:

5.1 Simple Past Tense - 一般过去时

用法: 描述在过去特定时间已经完成的动作。
强调动作已经结束, 与现在没有直接关系。

结构: 主语 + 动词过去式

规则动词: 加 -ed (visited, worked, achieved)

不规则动词: 有独特形式 (went, ate, saw, had)

I visited Paris last year.

我去年去了巴黎。(已经回来了)

She ate dinner at 7:00 p.m.

她晚上7点吃了晚饭。

They went to the cinema yesterday.

他们昨天去了电影院。

教师点评: 一般过去时是最常用的时态之一。

当你描述面试中的工作经历时, 大部分句子都会用一般过去时, 因为这些事情都已经发生了、已经完成了。

注意不规则动词需要单独记忆, 常用的大约有100个左右。

课堂练习 (Lesson 12 课件)

Practice 1: Match the base verbs with their past forms

1. go -> _____ 2. eat -> _____ 3. visit -> _____

参考答案: 1. went 2. ate 3. visited

Practice 2: Create sentences using these time expressions

last week / yesterday / in 2019

参考答案:

I watched a movie last week.

She had dinner at 7:00 p.m. yesterday.

They moved to Shanghai in 2019.

5.2 Past Continuous Tense - 过去进行时

用法: 描述在过去特定时间正在进行的动作(in progress), 或者在过去被另一个动作打断的动作(interrupted actions)。

核心: 动作与时间的联系。

结构: 主语 + was/were + 动词-ing

单数主语用 was, 复数主语用 were

I was watching TV at 8:00 p.m.

晚上8点时我正在看电视。(强调那个时间点正在做)

She was eating dinner when the phone rang.

电话响的时候她正在吃晚饭。(吃饭被打断)

They were playing football all afternoon.

他们整个下午都在踢足球。

教师点评: 过去进行时一定有一个时间上的参照。

要么给你一个具体时间点(at 8:00 p.m.),

要么用另一个动作来标示(when the phone rang)。

注意: 打断别人的动作一般过去式(rang), 被打断的动作过去进行时(was eating)。

课堂练习 (Lesson 12 课件)

Practice 1: Complete the sentences with the correct form

1. She (watch) _____ TV when I called her.

2. We (play) _____ football all morning.

参考答案:

1. was watching (单数主语 she -> was)

2. were playing (复数主语 we -> were)

Practice 2: Mixed Practice - Change the sentences

1. He played the guitar. -> He _____ the guitar.

2. They were talking. -> They _____.

参考答案:

1. He was playing the guitar. (一般过去时 -> 过去进行时)

2. They talked. (过去进行时 -> 一般过去时)

Homework: Write a short narrative about a memorable day using both past simple and past continuous tenses.

5.3 Past Perfect Tense - 过去完成时

用法: 描述在过去某个时间点或另一个动作之前已经完成的动作。
也就是 "过去的过去" (the past of the past)。

结构: 主语 + had + 过去分词(past participle)

I had finished my homework before dinner.

晚饭前我已经完成了作业。(先完成作业, 再吃晚饭)

She had left when I arrived.

我到达时她已经离开了。(她先走, 我后到)

They had lived in Paris before moving to London.

搬到伦敦之前他们住在巴黎。

教师点评: 过去完成时的核心是 "先后顺序"。

当你需要表达两件过去的事情, 且一件发生在另一件之前时,
先发生的那件用过去完成时(had done), 后发生的那件用一般过去时。
如果只有一件事, 不需要用过去完成时。

课堂练习 (Lesson 12 课件)

Practice 1: Fill in the blanks with the correct form

1. I (finish) _____ my homework before dinner.
2. She (leave) _____ when I arrived.
3. They (live) _____ in Paris before moving to London.

参考答案:

1. had finished
2. had left
3. had lived

Practice 2: Create sentences using the following prompts

1. before I went to bed
2. when he arrived
3. by the time we got there

参考答案:

1. I had brushed my teeth before I went to bed.
2. The train had left when he arrived.
3. The movie had already started by the time we got there.

Practice 3: Correct the sentences if needed

1. I had finish my homework before dinner.
2. She had lefted when I arrived.
3. They had lives in Paris before moving to London.

参考答案:

1. I had **finished** my homework before dinner. (finish -> finished)
2. She had **left** when I arrived. (lefted -> left, leave是不规则动词)
3. They had **lived** in Paris before moving to London. (lives -> lived)

5.4 Present Perfect Tense - 现在完成时

用法: 描述在过去不确定时间发生的事(unspecified time),
或者与现在有联系的事(relevance to the present moment).
不关注具体时间, 关注的是 "做过/没做过" 这个事实。

结构: 主语 + have/has + 过去分词(past participle)

I have visited Paris.

我去过巴黎。(没说什么时候去的, 重点是 "去过")

She has finished her homework.

她已经完成了作业。(作业做好了, 现在可以放松了)

They have lived here for five years.

他们在这里住了五年了。(从过去住到现在, 还在住)

I haven't even started looking at the project yet.

我甚至都还没开始看那个项目。(否定形式)

教师点评: 现在完成时是日常对话中非常高频的时态。
与一般过去时的区别: 一般过去时关注 "什么时候",
现在完成时关注 "做没做过" 或 "与现在的关系"。
当你不想说或不需要说具体时间时, 用现在完成时。
否定形式 haven't / hasn't 也非常常用。
"I haven't even looked at it yet." 中的 even 表示 "甚至",
yet 放在句末, 表示 "还(没)"。

课堂练习 (Lesson 12 课件)

Practice 1: Fill in the blanks with the correct form

1. I (see) _____ that movie already.
2. She (complete) _____ her project.
3. They (live) _____ here since 2010.

参考答案:

1. have seen
2. has completed (单数she -> has)
3. have lived

Practice 2: Create sentences using the following prompts

1. already
2. yet
3. just

参考答案:

1. I have already finished my homework.
2. She hasn't completed the project yet.
3. They have just arrived.

Practice 3: Correct the sentences if needed

1. I have see that movie.
2. She has completes her project.
3. They have live here since 2010.

参考答案:

1. I have **seen** that movie. (see -> seen)

2. She has **completed** her project. (completes -> completed)
3. They have **lived** here since 2010. (live -> lived)

5.5 Present Perfect Continuous - 现在完成进行时

用法: 描述从过去开始、现在仍在持续或刚刚结束的动作。

强调的是时间段(duration)的长度。

核心: emphasis on the duration (重点在时间段)。

结构: 主语 + have/has been + 动词-ing

I have been watching a reality show all week.

我这一整周都在看一档真人秀节目。(强调持续了一周)

She has been working here since January.

她在一月份起就一直在这里工作。(现在还在工作)

They have been playing football all afternoon.

他们整个下午都在踢足球。(可能还在踢, 也可能刚结束)

教师点评: 现在完成进行时的核心关键词是 duration (时间段)。

不管你是在抱怨还是夸赞, 只要你的重点是 "做了多久", 就用这个时态。

与过去进行时的区别:

"They were playing football all afternoon" - 强调那个下午在做这件事

"They have been playing football all afternoon" - 强调已经玩了很久了
后者常用于表达不满: "你已经玩了一下午了, 还不去学习!"

实际使用中, 两种说法都可以, 选择取决于你想强调什么。

课堂练习 (Lesson 12 课件)

Practice 1: Fill in the blanks with the correct form

1. I (study) _____ for three hours.
2. She (work) _____ here since January.
3. They (play) _____ football all afternoon.

参考答案:

1. have been studying
2. has been working (单数she -> has)
3. have been playing

Practice 2: Create sentences using the following prompts

1. for two hours
2. since 2015

3. all day

参考答案:

- 1. I have been waiting for two hours.
- 2. He has been learning English since 2015.
- 3. It has been raining all day.

Practice 3: Correct the sentences if needed

- 1. I has been studying for three hours.
- 2. She have been working here since January.
- 3. They has been playing football all afternoon.

参考答案:

- 1. I **have** been studying for three hours. (I -> have, 不是 has)
- 2. She **has** been working here since January. (She -> has, 不是 have)
- 3. They **have** been playing football all afternoon. (They -> have, 不是 has)

Homework: Write a short paragraph about a project or activity you have been involved in recently using the present perfect continuous tense.

5.6 五种时态对比总结

时态	核心关注	结构	例句
一般过去时	过去特定时间 已完成	主语 + 过去式	I visited Paris last year.
过去进行时	过去某时间点 正在进行/被打断	主语 + was/were + ing	I was watching TV at 8 p.m.
过去完成时	过去的过去 (两件事的先后)	主语 + had + 过去分词	I had finished before dinner.
现在完成时	与现在有关 不关注具体时间	主语 + have/has + 过去分词	I have visited Paris.
现在完成进行时	强调时间段 (duration)	主语 + have/has been + ing	I have been watching a show all week.

Part 6: Teacher's Model Essay

第六部分: 教师综合范文

以下范文综合了本课所学的日常表达、面试经历描述和多种时态，供课后复习和模仿练习使用。

范文一: 描述周末活动 (日常对话)

"Last weekend was quite a busy one for me.

On Sunday morning, I went to visit my parents in the suburb with my wife.

We hadn't seen them for a while, so it was really nice to catch up.

We spent some time chatting and having lunch together.

In the afternoon, I came to my English class.

I have been learning English here for about three weeks now,

and I feel like I'm making progress every lesson.

After the class, I went for a walk around People's Park.

I was just sitting on a bench, relaxing and watching people pass by, when a friend called me on the phone.

We talked for about twenty minutes before I headed home."

本范文使用了: 一般过去时(went, came, spent)、过去完成时(hadn't seen)、

现在完成进行时(have been learning)、过去进行时(was sitting, called)

范文二: 面试中谈论工作经历

"Over the past five years, I had been working as a project manager at a technology company in Shanghai.

During my time there, I achieved a 30% increase in sales in our region over the last two years.

I also spearheaded an initiative to break into the European market, which turned out to be very successful.

Before that project, I had already overseen the successful merger of our company with a major competitor.

In addition, I devised a new scheduling system that vastly improved efficiency across all departments.

I have been collaborating with international teams and I believe these experiences have prepared me well

for this new role."

本范文使用了: 过去完成进行时(had been working)、一般过去时(achieved, spearheaded)、过去完成时(had overseen)、现在完成进行时(have been collaborating)、现在完成时(have prepared)

范文三: 描述地铁上的观察 (生活场景)

"I remember there was a time I was riding on the metro, chatting on the phone with a very old friend of mine in Xi'an.

While I was talking to her, I noticed something interesting.
All the people around me in the carriage looked alike.
There was no smile or delightful face on anyone.

Everyone just looked tired and serious.
I was telling my friend about this observation,
and she said it's probably the same in every big city.

When I first got back to China from New Zealand,
I had spent my first two weeks in Shanghai.
The crowds on the metro were overwhelming.

Now, I have become a member of this crowd myself.
I take the metro every day, just like everyone else."

本范文使用了: 过去进行时(was riding, was talking, was telling)、一般过去时(noticed, looked, said, got)、过去完成时(had spent)、现在完成时(have become)

Part 7: Study Tips from Teacher

第七部分: 教师学习建议

1. 多开口, 不怕犯错: 刚开始说肯定会犯错, 这完全没问题。不停地说、不停地纠正, 总有一天你会纠正过来。课堂上老师每次都会把你说的话写下来帮你纠错, 你自己光说不行, 需要有人帮你对一下。

2. 时态呼应: 别人怎么问, 你就怎么答。

"Have you been..." -> "I have been..."

"Did you..." -> "Yes, I did..."

3. 断句与重音: 说长句时, 在介词前面(of, with, in)断句。

重读关键词(数字、动词、成果), 轻读虚词(a, the, in)。

目的是让别人听懂, 而不是为了展示词汇。

辅音结尾+元音开头可以连读: achieved increase, in our

4. 丰富表达: 同一个意思学会多种说法。

"I wrote / designed / set up / devised / created" 轮换使用。

这会让你的英语听起来更自然、更高级。

面试中给出具体数字(roughly 30%)更有说服力。

5. 课后练习: 每天编一编自己的活动描述, 哪怕编的也没关系。

自己偷偷录音, 反复练到流利为止。

多拿嘴说, 比多拿笔写更有效。

课件中的练习题和作业一定要完成。

6. 词汇积累: 每次课学到的词汇要造句使用。

不在句子中使用的词汇, 很快就会忘记。

把新词套入自己的真实经历中, 记忆效果最好。

注意收集同义词(approximately/roughly/about)丰富表达。

7. 元音发音: 不需要刻意背规则, 多说多听自然就记住了。

遇到不确定的发音, 先往上靠常见的读音即可。

特别注意 collaborate 和 cooperate 的发音区别。

8. 面试技巧: 不只是陈述成就, 还要解释为什么做、怎么做的。

用行业术语(sprint, discipline)展示专业度。

用 "on the same page" 等地道表达展示语言能力。
