Teacher:

What trends do you think are happening now?

Student:

Because I work at a pair company, so we recently find the vintage style is very good.

Teacher:

Vintage stuff is like lots of people are very interested in old things now. Why do you think that's a

Student:

Because I think some people are very environmental.

Teacher:

They think the early 2000s was a good time, a good time. You like everything, you know? So it's like

Student:

I have to... because I think that you can focus on... if you try to do, it's very simple.

Teacher:

It is something we call utility. Utility is not only how we use something. For example, long time ago,

Teacher:

Why do we not care about the details so much? Because we live online, right? And so like all this, too
