# Expert Review

## 英语教育学专家审核

| Review Area           | Result                                                                                                            |
|-----------------------|-------------------------------------------------------------------------------------------------------------------|
| Content accuracy      | All teaching points are rewritten from the source PDF; old files in PDF are not used as truth source.             |
| Pedagogical structure | The Topic Discussion lesson is organized as goals, source highlights, model input, guided output, and review.     |
| Learner fit           | Task difficulty and language load are kept around A2-B1, with bilingual support where needed.                     |
| Output readiness      | The manuscript includes student-facing practice and after-class review, so it is suitable for course handout use. |

## Model Language

### 课堂范文与表达

Teacher:

Talk about how to eat healthy, and the method how to exercise.

Teacher:

Yeah, different kinds of exercise.

Teacher:

So that's the basics. An anyone did anything fun during the weekend though?

Teacher:

Nothing? Yeah, what you do?

Teacher:

Ok, do you have dancing exercise? Ok, anything else?

**Teacher:**

Last time we also talked about like exercises, and people had like different ideas of what they like to

**Teacher:**

They have some fun, be in shape, and whatnot.

**Teacher:**

Now, today, it's kind of also connected to the topic from before, right?
