本课概述 Course Overview

本次课堂围绕现代生活中的成瘾问题展开，探讨其成因、类型及个人和社会层面的应对方法。成瘾行为会产生多巴胺使人快乐，现代社会诱惑多、获取易，致成瘾现象普遍。多巴胺禁食可提升对该行为的愉悦感。大脑爱新信息但容量有限，信息过载会致遗忘重要信息。个人层面应建立规律、逐步改变、培养新习惯；社会层面可制定规则、提高成瘾物品价格。意志力像肌肉，可以通过做困难的事来锻炼。还讨论了 FOMO（害怕错过）和过度分享的问题。

1. 成瘾的成因与多巴胺 / Causes of Addiction and Dopamine

老师示范句子 / Teacher's Model Sentences

- » Addiction is when you do something that's maybe not good for you, but you cannot stop.
 ↳ 成瘾就是你做一些可能对你不好的事情，但你无法停下来。
- » They make you feel happy. This happy feeling is connected to a chemical called dopamine.
 ↳ 它们让你感到快乐。这种快乐的感觉与一种叫做多巴胺的化学物质有关。
- » Dopamine is only produced when you do something and succeed, and then your body feels like a winner.
 ↳ 多巴胺只在你做某件事并成功时才会产生，然后你的身体会有赢家的感觉。
- » In today's world, all these things are very easy to get, and we get too much of them.
 ↳ 在当今世界，所有这些东西都很容易获得，而我们得到的太多了。
- » When we get too much, normal things in life become boring — walking, talking to friends, showering.
 ↳ 当我们得到太多时，生活中正常的事情就变得无聊了——散步、和朋友聊天、洗澡。

常见错误纠正 / Common Error Corrections

- × I think because everyone have a hole in it.
 → I think it's because everyone has a void inside.
 ↳ everyone 是单数，动词用 has 不用 have。a hole in it 表达不够清楚，用 a void inside（内心的空虚）更准确。
- We can't stop.
 ↳ 这句话语法正确。can't = cannot，表示不能/无法。

单词 Word	音标	中文意思	例句
addiction	/ə'dikʃən/	成瘾；上瘾	Smoking is one of the most common addictions.

单词 Word	音标	中文意思	例句
dopamine	/'doupemi:n/	多巴胺	Dopamine makes you feel happy when you succeed.
nicotine	/'niketi:n/	尼古丁	Nicotine is the chemical in cigarettes that causes addiction.
caffeine	/'kaefi:n/	咖啡因	Coffee contains caffeine, which can be addictive.
distraction	/di'straekshən /	分心; 干扰	In the modern world, we have lots of distractions.

• 语法小贴士 Grammar Tips

everyone/everybody + 单数动词 everyone, everybody, someone, nobody

这些词都是单数，后面动词要加 -s。

- Everyone has this feeling.
- Everybody knows the answer.
- Nobody wants to fail.

because 引导原因从句 because

后面跟一个完整的句子（主语+谓语），表示「因为……」。

- People shop because it makes them feel happy.
- We get addicted because dopamine feels good.
- He drinks coffee because he is always tired.

2. 多巴胺禁食与大脑特性 / Dopamine Fasting and Brain Characteristics

老师示范句子 / Teacher's Model Sentences

- » A dopamine fast doesn't mean you run fast. 'Fast' here means you stop doing something for a while.
 └ 多巴胺禁食不是说你跑得快。这里的 fast 是禁食的意思，表示暂时停止做某事。
- » Breakfast is called breakfast because it's breaking a fast. You didn't eat all night, so you break the fast.
 └ 早餐英文叫 breakfast，因为它打破了（break）禁食（fast）。你一整晚没吃东西，所以你打破了禁食。
- » If you don't watch TV shows for one week, then next week when you watch, you'll feel like it's so much better than before.
 └ 如果你一周不看电视节目，下周再看的时候，你会觉得比以前好太多了。
- » Our brains love novelty. Novelty means anything new — novel things.
 └ 我们的大脑喜欢新鲜事物。Novelty 的意思是任何新的东西——新奇的事物。
- » You cannot put everything in your brain. If you put something new in, maybe you forget something else.
 └ 你不能把所有东西都塞进脑子里。如果你放入新的东西，可能会忘记别的东西。

常见错误纠正 / Common Error Corrections

- ✗ It it's about this Chaoshan culture.
→ It's about Chaoshan culture.
 └ It it's 是重复了，只需要说 It's = It is。this 在这里多余。
- ✗ I think it is the ancient thing, like if we don't fight or run, we will die.
→ I think it's an ancient instinct. If we didn't fight or run, we would die.
 └ ancient thing 太笼统，用 instinct（本能）更准确。描述过去的假设用虚拟语气 didn't...would die。

单词 Word	音标	中文意思	例句
fast	/faest/	禁食（名词/动词） ； 快的（形容词）	Doing a dopamine fast once a week can help.
novelty	/'nah:vlti/	新鲜事物； 新奇	Our brains love novelty — anything new and exciting.
information overload	/,infer'meishe n 'ouverloud/	信息过载	Today we face information overload every day.

单词 Word	音标	中文意思	例句
infinite	/ˈɪnfaɪnɪt/	无限的	Our brain is not infinite — you cannot put everything in.
scroll	/skroul/	滑动浏览 (手机)	People scroll through funny videos on apps all day.

• 语法小贴士 Grammar Tips

if 条件句 (真实条件句) if + 现在时, 将来时。表示如果某个条件成立, 就会产生某个结果。

- If you stop for a week, you'll feel it's so much better.
- If you eat sugar every day, it's not special.
- If you put something new in, maybe you forget something else.

fast 一词多义 fast 可以作形容词 (快的) 和名词/动词 (禁食)。breakfast = break + fast = 打破禁食 = 早餐。

- He runs very fast. (形容词/副词)
- I'm doing a dopamine fast. (名词: 禁食)
- Muslims fast during Ramadan. (动词: 禁食)

3. 应对成瘾的个人方法 / Personal Methods to Cope with Addiction

■ 老师示范句子 / Teacher's Model Sentences

- » You just need to change your actions. Instead of shopping, go for a walk or drink something sweet.
 ↳ 你只需要改变你的行为。不去购物, 改为去散步或喝点甜的东西。
- » Have a routine. Our brain also likes things we already know.
 ↳ 建立规律。我们的大脑也喜欢我们已经熟悉的事情。
- » Make small changes, but don't make too many at once — it becomes overwhelming.
 ↳ 做小的改变, 但不要一次改太多——那样会让人不堪重负。
- » No screen one hour before bed. One reason is that new information excites our brain.
 ↳ 睡前一小时不看屏幕。一个原因是新信息会让我们的的大脑兴奋。
- » Blue light is actually good for us, but not at night. Warm light feels like fire — it's a sleepy kind of light.
 ↳ 蓝光实际上对我们有好处, 但在晚上不行。温暖的光让人感觉像火——那是一种催眠的光。

■ 常见错误纠正 / Common Error Corrections

× Maybe we should create a new team.

→ Maybe we should create a new routine.

↳ team (团队) 应该是 routine (规律/例行) 的误听或误用。这里讨论的是建立生活规律。

× Make a small change every single day.

→ Make a small change every single week.

↳ 每天一个新改变对大多数人来说太多了。老师建议每周一个小改变更可持续。

× I work out, and I try to do some medication.

→ I work out, and I try to do some meditation.

↳ medication 是药物治疗, meditation 是冥想。这里应该是想说冥想。注意两个词的发音区别。

单词 Word	音标	中文意思	例句
routine	/ru:'ti:n/	规律; 日常惯例	Having a routine helps your brain feel stable.
habit	/'haebit/	习惯	You can have bad habits or good habits.
overwhelming	/,ouver'welmi ng/	令人不堪重负的	Changing everything at once is overwhelming.
blue light	/blu: laɪt/	蓝光	Blue light from screens can affect your sleep.
meditation	/,medi'teɪʃən /	冥想	I try to do some meditation to calm my mind.
internal / external	/in'ter:nl / ɪk'ster:nl/	内部的 / 外部的	Internal reasons come from yourself; external reasons come from outside.

• 语法小贴士 Grammar Tips

instead of + doing instead of 后面加动词的 -ing 形式, 表示「而不是做某事」, 用来提出替代方案。

- Instead of shopping, go for a walk.
- Instead of coffee, try drinking tea.
- Instead of watching TV, read a book.

no + 名词 表示禁止 no + 名词是一种简洁的禁止表达方式, 常见于规则和建议中。

- No screen before bed.
- No smoking in this area.
- No sugar after 8 p.m.

4. 意志力锻炼 / Exercising Willpower

老师示范句子 / Teacher's Model Sentences

» Willpower is like the power of your mind. All people have willpower, but different people have different levels.

└ 意志力就像你思想的力量。所有人都有意志力，只是不同的人有不同的水平。

» Willpower is just like a muscle — some people have more, some people have less, but you can exercise it.

└ 意志力就像肌肉——有些人多，有些人少，但你可以锻炼它。

» Do something you've never done before. Do something difficult that's good for you.

└ 做一些你以前从未做过的事情。做一些困难但对你有好处的事情。

» Start slowly. Usually after two weeks, your brain can change and it doesn't feel difficult anymore.

└ 慢慢开始。通常两周之后，你的大脑就能适应，就不再觉得困难了。

» In the morning you have a lot of willpower. By the end of the day, it goes down, and that's when bad habits happen.

└ 早上你有很多意志力。到一天结束时，意志力下降了，那就是坏习惯出现的时候。

常见错误纠正 / Common Error Corrections

• Dancing is my option.

└ 句子语法正确。option 意思是选择/选项。跳舞可以是锻炼意志力的一种选择。

× Waiting or just before we step by step.

→ We should do it step by step.

└ 原句结构不完整。step by step 是「一步一步来」的意思，需要放在完整的句子里。

单词 Word	音标	中文意思	例句
willpower	/ˈwɪlpəʊər/	意志力	Willpower is like a muscle — you can exercise it.
muscle	/ˈmʊsl/	肌肉	You must do something difficult so the muscle has no choice but to grow.
limit	/ˈlɪmɪt/	极限；限制	Push your limits to improve your willpower.
productive	/preˈdʊktɪv/	高效的；有产出的	These three days would be much more productive.
energy	/ˈenədʒi/	精力；能量	By the end of the day, you have no mental energy left.

• 语法小贴士 Grammar Tips

like 作比喻 like 可以用来做比喻，表示「像.....一样」。常用于解释抽象概念。

- Willpower is like a muscle.
- Our brain is like a computer.
- It feels like fire.

something + 形容词/定语从句 something

后面可以加形容词或定语从句来修饰，注意形容词放在 something 后面。

- Do something difficult.
- Do something you've never done before.
- Eat something healthy.

5. FOMO与过度分享 / FOMO and Oversharing

■ 老师示范句子 / Teacher's Model Sentences

» FOMO means Fear Of Missing Out. It's a kind of future anxiety — you're always afraid of what might happen.

└ FOMO 的意思是害怕错过。这是一种对未来的焦虑——你总是害怕可能会发生什么。

» Be present. It means be here, right now. Don't always think about what you'll do next.

└ 活在当下。意思是就在这里，就在现在。不要总是想你接下来要做什么。

» Oversharing comes from a need to be understood. You just want people to know too much about you.

└ 过度分享来自于被理解的需求。你只是想让别人了解你太多太多了。

» When you overshare, try to think about how the other person is feeling. That's part of being present.

└ 当你过度分享时，试着想想对方的感受。这也是活在当下的一部分。

» People are addicted to the habit, not just the substance. It's about the routine — going outside, the smell, talking with friends.

└

人们是对习惯上瘾，而不只是对物质上瘾。是关于那个规律——走出去、那个味道、和朋友聊天。

■ 常见错误纠正 / Common Error Corrections

× Just like my friends, he can eat 5 cup of coffee every day.

→ Just like my friend — he can drink 5 cups of coffee every day.

└ friends 应该是 friend（一个朋友）。咖啡用 drink 不用 eat。cup 要加 -s 变成复数 cups。

✗ That's he always be tired.

→ That's because he is always tired.

⌞ 需要加 because 来连接原因。be 要变成 is（第三人称单数现在时）。

✗ Over share, everything. I want to know people don't hit you on the head.

→ I overshare everything because I want people to understand me.

⌞ 原句表达不够清晰。overshare 是动词，意思是过度分享。后半句的意思应该是希望别人理解自己。

单词 Word	音标	中文意思	例句
FOMO	/ˈfoumou/	害怕错过 (Fear Of Missing Out)	Many young people suffer from FOMO when they see friends' posts online.
present	/ˈprezent/	当下; 在场的	Try to be present — enjoy what you're doing right now.
overshare	/ˌouver'sher/	过度分享	Some people overshare on social media.
hoarding	/ˈhaw:rding/	囤积	Hoarding means keeping things you don't need because you might need them later.
anxiety	/aeng'zaieti/	焦虑	FOMO is a kind of future anxiety.

• 语法小贴士 Grammar Tips

be + 形容词 表示状态/建议 be 动词原形可以用于祈使句（给建议），表示「要……」。

- Be present.
- Be careful.
- Be kind to yourself.

come from + 名词/doing come from 表示「来自于」，用来说明某事物的根源。

- Oversharing comes from a need to be understood.
- This feeling comes from having too much information.
- His confidence comes from years of practice.
