本课概述 Course Overview

本次课堂主要围绕锻炼展开，探讨锻炼的重要性、类型、时间安排及相关饮食搭配。课前同学们分享了闲暇爱好（弹电吉他、旅行、读书、看电竞、看电影等）。老师介绍了有氧运动（cardio，源自希腊语，对心脏有益）和增肌训练（hypertrophy training，有助于肌肉生长）的区别，讨论了每周锻炼时长（每天15分钟即可保持健康）、锻炼计划设计（先增肌后有氧），以及早晚锻炼的利弊。最后讨论了蛋白质、碳水化合物和脂肪在饮食中的不同作用，以及外卖 APP 对饮食健康的影响。

1. 课前交流 - 闲暇爱好 / Free Time Hobbies

老师示范句子 / Teacher's Model Sentences

- » What hobbies does anybody have? Anyone want to try going first? What do you do during your free time?
 - └ 大家有什么爱好？谁想先说？空闲时间你会做什么？
- » How long have you been playing electric guitar? For two years? OK, that's great.
 - └ 你弹电吉他多久了？两年了？好的，很棒。
- » But you can't travel every day, right? What about on workdays? What do you do after work?
 - └ 但不可能每天都旅行，对吧？工作日呢？下班后你做什么？

常见错误纠正 / Common Error Corrections

- I usually play electric guitar in my leisure time.
 - └ 这句完全正确！leisure time 是很好的表达。
- × In my free time, and sometimes I will reading books.
 - In my free time, I sometimes read books.
 - └ will reading 语法错误。描述经常做的事用一般现在时 read，不用 will + reading。去掉多余的 and。
- × After work, maybe I like traveling, maybe go to the nearest Shanghai. Places to maybe climbing.
 - After work, I like traveling. Maybe I go to places near Shanghai, or go cycling.
 - └ 句子太碎不连贯。nearest Shanghai 表达不对，应为 places near Shanghai。
- × I often watch the red book, TikTok, on the cell phone and check sports, games, e-sports.
 - I often watch videos on Xiaohongshu and TikTok on my phone, and I watch e-sports.
 - └ the red book 是直译，应说 Xiaohongshu（小红书）。check sports 改为 watch e-sports 更准确。
- × We watch movie once week.
 - We watch movies once a week.
 - └ movie 应为复数 movies。once week 应为 once a week（每周一次），缺少冠词 a。

单词 Word	音标	中文意思	例句
leisure time	/ˈleʒər taɪm/	闲暇时间	I play guitar in my leisure time.
hobby	/ˈhɒbi/	爱好	What hobbies do you have?
electric guitar	/ɪˈlektrɪk ɡɪˈtɑːr/	电吉他	He plays electric guitar.
e-sports	/iː ˈspɔːrts/	电子竞技	I like watching e-sports on Twitch.
streaming platform	/ˈstriːmɪŋ ˈplætfɔːrm/	直播平台	Twitch is a popular streaming platform.

• 语法小贴士 Grammar Tips

一般现在时描述习惯 描述经常做的事用一般现在时（I read, I play），不用 will + 动词。will 表示将来或临时决定，不表示日常习惯。

- I usually read books.
- She plays guitar in her free time.
- We watch movies on weekends.

How long have you been + 动词 ing?

问某件事做了多长时间，用现在完成进行时。表示从过去一直持续到现在。

- How long have you been playing guitar?
- How long have you been living here?
- How long have you been studying English?

2. 锻炼的重要性 / Importance of Exercise

■ 老师示范句子 / Teacher's Model Sentences

- » Do you think exercise is important in today's world? Many people sit in an office all day.
L 你觉得锻炼在当今世界重要吗？很多人整天坐在办公室里。
- » It can make us healthy. It can make us healthier.
L 它能让我们健康。它能让我们更健康。
- » It can kill time. It can help relieve stress.
L 它能打发时间。它能帮助释放压力。

■ 常见错误纠正 / Common Error Corrections

× Yes, it's important. It can make, keep our health.

→ Yes, it's important. It can keep us healthy.

↳ keep our health 不对。正确结构是 keep + 人 + 形容词 (healthy) 。 health 是名词, healthy 是形容词。

× It can kill the time.

→ It can kill time.

↳ kill time 是固定搭配 (打发时间) , 中间不加 the 。

单词 Word	音标	中文意思	例句
exercise	/ˈeksəsaɪz/	锻炼, 运动	Exercise is important for your health.
important	/ɪmˈpɔːrtənt/	重要的	Health is very important.
release stress	/rɪˈliːs stres/	释放压力	Exercise can help release stress.
benefit	/ˈbenɪfɪt/	好处, 益处	What are the benefits of exercise?
healthy	/ˈhelθi/	健康的 (形容词)	I want to stay healthy.

• 语法小贴士 Grammar Tips

make + 人 + 形容词 make 表示「让某人变得...」, 后面加人, 再加形容词。不能加名词。

- It can make us healthy. (正确)
- It can make our health. (错误)
- Exercise makes you stronger.

keep + 人 + 形容词 keep 表示「保持」, 用法和 make 类似, 后面加人再加形容词。

- It can keep us healthy.
- Keep your room clean.
- Keep yourself warm in winter.

3. 锻炼类型 - 有氧运动 / Types of Exercise - Cardio

■ 老师示范句子 / Teacher's Model Sentences

» Cardio actually comes from a Greek word. It means heart. So anything that's cardio is good for the heart.

└ Cardio (有氧运动) 来自希腊语, 意思是心脏。所以有氧运动对心脏有好处。

» If you see a word you don't know, just break it into pieces like cutting a cake.

└ 如果你看到不认识的单词, 就像切蛋糕一样把它拆成几部分。

» I do cardio. It can be skipping rope, swimming, walking, or running.

└ 我做有氧运动。可以是跳绳、游泳、走路或跑步。

■ 常见错误纠正 / Common Error Corrections

× Climbing on the walking machine.

→ Walking on the treadmill.

└ walking machine 的正式英文说法是 treadmill (跑步机)。climbing 是攀爬, 不是走路。

单词 Word	音标	中文意思	例句
cardio	/'kɑ:rdiəʊ/	有氧运动	I do cardio three times a week.
treadmill	/'tredmɪl/	跑步机	I run on the treadmill at the gym.
skipping rope	/'skɪpɪŋ rəʊp/	跳绳	Skipping rope is great cardio.
heart rate	/hɑ:rt reɪt/	心率	Your heart rate goes up when you run.
Greek	/gri:k/	希腊的	Cardio comes from a Greek word.

• 语法小贴士 Grammar Tips

be good for + 名词/人 表示「对...有好处」。反义词是 **be bad for** (对...有害)。

- Cardio is good for the heart.
- Vegetables are good for your health.
- Smoking is bad for you.

4. 锻炼类型 - 增肌训练 / Types of Exercise - Hypertrophy Training

老师示范句子 / Teacher's Model Sentences

- » Hypertrophy just means growing. Muscle hypertrophy is the healthiest type.
 - └ Hypertrophy 就是生长/增大的意思。肌肉增长是最健康的（类型）。
- » For hypertrophy, what we need to do is lift heavy weights. It only happens when you do something your body cannot do easily.
 - └ 要增肌，我们需要举重物。增肌只在你做身体还无法轻松完成的事情时发生。
- » We call it martial arts. MMA stands for mixed martial arts. Martial arts basically means fighting arts.
 - └ 我们叫它武术。MMA 代表综合格斗。武术基本上就是搏击类技艺。
- » You just add weight. Maybe you can do 10 reps. Then it becomes easier, so what do you do? Add more weight.
 - └ 你只需要加重重量。也许你能做10下。然后变简单了，怎么办？加更多重量。

常见错误纠正 / Common Error Corrections

- ✗ Sometimes I will do play Chinese kung fu. I can need to bend any place.
 - Sometimes I practice Chinese kung fu. I need to bend my body in many ways.
 - └ do play 重复了动词，用 practice 更好。bend any place 不准确，应为 bend my body in many ways。
- ✗ Take something more all weight.
 - Lift something heavier.
 - └ take something more all weight 语法混乱。正确说法是 lift something heavier（举更重的东西）。
- ✗ Maybe when we do the high, the third, free we will have some strength.
 - Maybe when we do high-intensity exercises, we build some strength.
 - └ 原句断断续续表达不清。high-intensity exercises = 高强度运动，build strength = 增强力量。

单词 Word	音标	中文意思	例句
hypertrophy	/hai'per:rtrefi/	肌肉增生，增肌	Hypertrophy training helps muscles grow.
muscle	/'mu:sl/	肌肉（注意！不发音）	You need protein to build muscle.
martial arts	/'mah:rshel ah:rts/	武术	He practices martial arts.
pushup	/'pushuhp/	俯卧撑	I can do 20 pushups.

单词 Word	音标	中文意思	例句
lift	/lift/	举起	I lift heavy weights at the gym.
weight	/weit/	重量, 重物	How much does it weigh?

• 语法小贴士 Grammar Tips

What we need to do is + 动词原形

这是常用的强调句型, 表示「我们需要做的就是...」。is 后面用动词原形。

- What we need to do is lift heavy.
- What you should do is rest.
- What I want to do is sleep.

形容词比较级 (-er / heavier) 比较级用于比较两件事。heavy 变 heavier, strong 变 stronger, easy 变 easier。

- Lift something heavier.
- I want to become stronger.
- Running is harder than walking.

5. 锻炼时间与频率 / Exercise Duration and Frequency

■ 老师示范句子 / Teacher's Model Sentences

- » If you want to stay healthy, you only need to exercise for about 15 minutes per day.
 ↳ 如果你想保持健康, 每天只需要锻炼大约15分钟。
- » Walking is also exercise, but your heart rate needs to be around twice your normal heart rate.
 ↳ 走路也是锻炼, 但你的心率需要达到正常心率的大约两倍。
- » Walking is not that hard. Nobody thinks, 'Oh, I have to walk again.' It's something you can easily do every day.
 ↳ 走路没那么难。没有人会觉得'啊, 又要走路了'。这是你每天都能轻松做到的事。

■ 常见错误纠正 / Common Error Corrections

- × How much of free time do you have? 2 hours in working day and 2 days in weekend.
- How much free time do you have? I have 2 hours on workdays and 2 full days on weekends.
 ↳ how much free time 不用加 of。工作日是 on workdays, 周末是 on weekends。

× 25 hours a week.

→ I have about 25 hours of free time a week.

⌞ 回答最好用完整句子，加上主语和动词。

单词 Word	音标	中文意思	例句
per day / a day	/per:r dei/	每天	I exercise for 15 minutes per day.
heart rate	/hah:rt reit/	心率	Your heart rate should be around 120 bpm.
convenient	/ken'vi:nient/	方便的	Running is convenient because you can do it anywhere.
regularly	/'regjelerli/	定期地	You should exercise regularly.
on average	/on 'aeveridzh/	平均	You have 6 hours of free time on average.

• 语法小贴士 Grammar Tips

How much vs How many How much + 不可数名词 (free time, water) 。 How many + 可数名词复数 (hours, days) 。

- How much free time do you have?
- How many hours do you exercise?
- How much water do you drink?

时间介词 on / in / per on + 具体某天或某类天 (on weekends, on Monday) 。 in + 时间段 (in the morning) 。 per/a = 每。

- I exercise on weekends.
- I have one hour per day.
- I work in the morning.

6. 锻炼计划设计 / Workout Plan Design

■ 老师示范句子 / Teacher's Model Sentences

- » You do 30 minutes of cardio and 30 minutes of hypertrophy training.
 ↳ 你做30分钟有氧运动和30分钟增肌训练。
- » It's better to do hypertrophy first. Cardio doesn't require a lot of power, but hypertrophy does. If you're tired, it can be dangerous.
 ↳ 先做增肌训练更好。有氧运动不需要太多力量，但增肌训练需要。如果你累了，可能会受伤。
- » Do hypertrophy first when you're fresh and energetic, then do cardio afterwards.
 ↳ 在你精力充沛的时候先做增肌，然后再做有氧运动。
- » It's called full-body training.
 ↳ 这叫做全身训练。

■ 常见错误纠正 / Common Error Corrections

- × I'll try all kinds of carding.
 → I'll try all kinds of cardio.
 ↳ cardio 是有氧运动的正确说法，carding 不是正确的英语单词。
- × I will do 15 minutes high-intensity free exercise. Maybe for leg and arm.
 → I will do 15 minutes of high-intensity exercise, maybe for legs and arms.
 ↳ 需要加 of (15 minutes of...)。leg 和 arm 要用复数 legs, arms。
- × And with the cattle bell.
 → And with a kettlebell.
 ↳ kettlebell (壶铃) 被误说成 cattle bell (牛铃)，发音相近但意思完全不同。
- × Maybe I will choose half hour in morning and go to running.
 → Maybe I'll choose to run for half an hour in the morning.
 ↳ half hour 应为 half an hour。go to running 应为 go running 或 go for a run。
- × I will stand a half hour. When I finish my working, go to the swimming.
 → I'll swim for half an hour. When I finish work, I'll go swimming.
 ↳ stand a half hour 表意不清。working 改为 work。go to the swimming 去掉 the。
- × I will spend the first 13 minutes with running. And then I will lift some heavy things to exercise my legs.
 → I will spend the first 15 minutes running. Then I will lift heavy weights to train my legs.
 ↳ spend time 后面直接加 doing，不用 with。lift heavy things 改为 lift heavy weights 更专业。

单词 Word	音标	中文意思	例句
hypertrophy training	/hai'per:rtrefi 'treining/	增肌训练	I do hypertrophy training three times a week.
full-body	/ful 'bodi/	全身的	I do full-body training.
kettlebell	/'ketlbel/	壶铃	I exercise with a kettlebell.
energetic	/,ener'dzhetik /	精力充沛的	I feel energetic in the morning.
dangerous	/'deindzheres/	危险的	Lifting heavy weights when tired can be dangerous.
high-intensity	/hai in'tenseti/	高强度的	High-intensity exercise burns more calories.

• 语法小贴士 Grammar Tips

It's better to + 动词原形 用 It's better to... 来给出建议，表示「做...更好」。

- It's better to do hypertrophy first.
- It's better to eat before exercise.
- It's better to sleep early.

spend + 时间 + doing something spend 表示花费时间做某事，后面直接加动词 ing 形式，不加 to 或 with。

- I spend 30 minutes running.
- She spends one hour reading.
- We spend the weekend hiking.

7. 早晚锻炼的利弊 / Pros and Cons of Morning vs Evening Exercise

■ 老师示范句子 / Teacher's Model Sentences

- » What are some pros and cons? Pros are advantages, and cons are disadvantages.
 - └ 有哪些优缺点? Pros 是优点, cons 是缺点。
- » In the morning, there is fresher air. Exercise can increase alertness.
 - └ 早上空气更清新。运动能提高清醒度。
- » If you exercise in the morning, you finish early. Then you can go home and do your hobbies.
 - └ 如果你早上锻炼, 很早就完成了。然后可以回家做自己的爱好。
- » Muscles grow when you sleep, not in the gym. If you don't sleep enough, you're just wasting your time.
 - └ 肌肉在你睡觉时生长, 不是在健身房里。如果你睡眠不足, 就是在浪费时间。

■ 常见错误纠正 / Common Error Corrections

- × After work, have enough time.
 - After work, I have enough time.
 - └ 缺少主语 I。英语句子一般都需要主语, 不能省略。
- × It is good things, because after doing that, I will be comfortable.
 - It's a good thing because after exercising, I feel comfortable.
 - └ good things 改为 a good thing (单数)。doing that 改为 exercising 更具体。
- × Maybe be crowded in the gym, more people in gyms.
 - The gym might be crowded because more people go after work.
 - └ 需要完整句子加主语。might be crowded = 可能会拥挤。
- × So tired, cannot focus on the exercise.
 - I'm too tired to focus on the exercise.
 - └ 缺少主语和 be 动词。用 too...to... 结构 (太...以至于不能...) 更地道。
- × We can wake up our body.
 - We can wake up our bodies.
 - └ body 要用复数 bodies, 因为主语 we 是复数。
- × It can make me have a longer time.
 - It gives me more free time for the rest of the day.
 - └ make me have a longer time 表达不自然。give me more free time 更清楚。

× I think after work, I want to release my stress.

→ I want to release my stress after work.

└ 这句基本正确，语序可以调整得更自然。

单词 Word	音标	中文意思	例句
pros and cons	/prɒz end kɒnz/	优缺点	Let's discuss the pros and cons.
crowded	/'kraʊdɪd/	拥挤的	The gym is crowded after work.
alertness	/e'ler:rtnes/	清醒，警觉	Exercise increases alertness.
caffeine	/'kæfi:n/	咖啡因	Caffeine can increase alertness.
sunlight	/'sʌnlait/	阳光	Morning sunlight makes people happy.
trouble sleeping	/'tru:bl 'sli:pɪŋ/	失眠	Some people have trouble sleeping after evening exercise.

• 语法小贴士 Grammar Tips

too + 形容词 + to + 动词 表示「太...以至于不能...」。 too tired to focus = 太累了无法集中。

- I'm too tired to exercise.
- It's too late to go out.
- He's too busy to eat.

have trouble + doing 表示「做某事有困难」。 trouble 后面直接加动词 ing 形式。

- I have trouble sleeping.
- She has trouble waking up early.
- They have trouble focusing.

8. 饮食与营养 / Diet and Nutrition

老师示范句子 / Teacher's Model Sentences

» There are three key nutrients: protein, carbs, and fats. All of these are important, but in different ways.

⌞ 有三种关键营养素：蛋白质、碳水化合物和脂肪。它们都很重要，但作用方式不同。

» Protein is like Lego. One piece goes out, and a protein Lego piece goes in to replace it.

⌞ 蛋白质就像乐高积木。一块出去了，一块蛋白质乐高积木就补进来替换。

» Carbs give you glycogen. Glycogen is basically simple sugar in your body. Without glycogen, you couldn't survive.

⌞ 碳水化合物给你糖原。糖原基本上就是你体内的简单糖分。没有糖原，你无法生存。

» Fats help regulate hormone levels. Men and women have different hormones, and children and adults have different hormones.

⌞ 脂肪帮助调节激素水平。男女有不同的激素，儿童和成人也有不同的激素。

常见错误纠正 / Common Error Corrections

× I choose some vegetables. Fish. Beef, chicken.

→ I choose to eat vegetables, fish, beef, and chicken.

⌞ 用完整句子回答，用 choose to eat 连接食物列表。

× Because it will make me fast.

→ Because it will make me gain weight.

⌞ make me fast 意思是让我变快（速度）。想说变胖应该说 make me gain weight 或 make me fat。

× Leave away KFC.

→ I stay away from KFC.

⌞ leave away 不是正确短语。stay away from = 远离/避开。

× I'm not healthy, make me fat.

→ It's not healthy. It makes me fat.

⌞ 缺少主语 It。两个独立的句子需要分开。

× We can get some sweet food so easy.

→ We can get sweet food so easily.

⌞ easy 是形容词，修饰动词 get 需要副词 easily。

单词 Word	音标	中文意思	例句
protein	/'pru:ti:n/	蛋白质	Meat and tofu have a lot of protein.

单词 Word	音标	中文意思	例句
carbs (carbohydrates)	/kah:rbz/	碳水化合物	Rice and noodles are carbs.
glycogen	/'glaikeɪdʒən/	糖原	Carbs give your body glycogen for energy.
hormone	/'haw:rmaʊn/	激素	Fats help control hormone levels.
calorie	/'kaeləri/	卡路里	Fast food has too many calories.
diet	/'daɪet/	饮食	A healthy diet includes protein, carbs, and fats.
fast food	/faest fu:d/	快餐	I try to eat less fast food.

• 语法小贴士 Grammar Tips

形容词 vs 副词 (easy vs easily) 形容词修饰名词 (easy task) , 副词修饰动词 (do it easily) 。 easy 去掉 y 加 ily 变 easily 。

- We can get food easily. (修饰动词)
- It is an easy question. (修饰名词)
- She runs quickly.

比较级 + and + 比较级 (越来越...) 表示「越来越...」用 比较级 and 比较级 的结构。

- People are becoming fatter and fatter.
- It is getting colder and colder.
- Exercise becomes easier and easier.
